# DRY HOGH™

## FINE GRADE

**Contains NONPLANT FOOD INGREDIENT**  
**50% Humic Acids (CDFA-method)**  
**Derived from Humalite™**

**BEFORE USING THIS PRODUCT, CAREFULLY READ ENTIRE LABEL**

### GENERAL INFORMATION

DRY HOGH™ is a dry source of high-grade humic acids derived from Humalite. Humalite is a naturally occurring raw material found adjacent to the subbituminous coalfields of Canada. Humalite is a soft, brown coal-like material which has many similarities to Leonardite but is very rich in humic acids. DRY HOGH™ can be blended with fertilizer or compost or applied directly to the soil.

### PURPOSE OF PRODUCT

For use primarily to aid in micronutrient uptake.

### SUGGESTED APPLICATION RATE

- **Agriculture:** 100-200 lbs/acre annually
- **Fairways:** 100 lbs/acre annually
- **Tees & Greens:** 2 lbs/1000 sq ft annually

NOTE: Soil tests should be taken. Rates can vary due to agronomic conditions.

NOTICE: HealthySoil® warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for the purposes stated on such label only when used in accordance with the directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of HealthySoil®. In no case shall HealthySoil® be liable for consequential, special or indirect damages resulting from the use or handling of this product. Buyer shall assume all such risks of any such use of the products.

DISCLAIMER: Not all products are available for purchase or authorized for use in every state. In addition, some states, countries and cities may require special licensing and training to sell, purchase or apply some of the products presented. It is the responsibility of the distributor, retailer or professional applicator to verify, before product sale / purchase, that the product is approved for the use intended in their state, country and city.
